

Application No. 10/743,544
Amendment dated August 1, 2005
Reply to Ex parte Quayle Action of June 1, 2005

Remarks/Arguments:

This amendment adds no new claims, and is provided to amend the application title and claim 1 as suggested by the Examiner. No new matter has been added. Upon entry of this amendment, claims 1-21 will be pending.

Objections to the Specification

The Examiner has objected to the title of the specification. Accordingly, the Applicant has amended the title as suggested by the Examiner. Therefore, the Applicant respectfully requests withdrawal of the objection to the specification.

Objections of the Claims

The Examiner has objected to claim 1 as being unclear. Accordingly, the Applicant has amended claim 1 as suggested by the Examiner to clarify lines 2-3. Therefore, the Applicant respectfully requests withdrawal of the objection to claim 1. The amendment is intended to clarify the claim, and does not narrow the scope of the claim or any range of equivalents to which the claim is entitled.

Allowable Subject Matter and Conclusion

The Examiner is thanked for allowing the subject matter of claims 1-21. Further, in view of the above, it is believed that the application is in condition for allowance and notice to this effect is respectfully requested. Should the Examiner have any questions, the Examiner is invited to contact the undersigned attorney at the telephone number indicated below.

Respectfully submitted,

Ronald S. Grubb
